

Compliance with HB 3693

TCAP members will comply with the requirements of HB 3693 (Government Code § 2264.001(b)) by compiling and posting the following information as soon as practicable after January 1, 2014:

1) The total metered amount of electricity, water and natural gas used by the city or governmental entity for its services in 2013. The annual metered amounts can be separately listed for each utility service without violating confidentiality terms.

2) The total amount paid for electricity, water and natural gas in 2013. The total annual cost paid for the three utility services should be posted as one figure.

Municipal Energy Usage for Calendar Year 2013

The City of Rowlett purchases natural gas from Atmos Energy. In Calendar Year 2013, the City purchased a total of 3,381.50 thousand cubic feet (MCF) of natural gas.

The City purchases electricity from Direct Energy.¹ In calendar year 2013, the City purchased a total of 9,072,805 kilowatt hours.

The City purchases water from North Texas Municipal Water District.² In calendar year 2013, the City purchased a total of 2,381,802,000 gallons of water.

The total cost of natural gas, electricity and water purchased by the City in the calendar year 2013 is \$6,847,444.54.

¹ As a TCAP member, the City's provider was Direct Energy. Some TCAP members may receive electric service on some city accounts from electric cooperatives. If this is the case, indicate all electric providers that provide service for city accounts and the total amount of electricity consumed by the city.

² If the City is a municipal water supplier and does not purchase water, simply note the amount of water consumed and report that as a self supplier, no municipal funds are expended to purchase water for municipal services.
